Putnam PSD Seeking Water, Sewer Rate Increase

By Ron Allen

The Putnam Public Service District Board met on Thursday, January 5, to hold the first reading of a resolution to increase water and sewer rates. If the resolution is approved at a second reading scheduled for January 19, the PSD will seek approval from the West Virginia Public Service Commission to increase its sewer rates by 8.5% and its water rates by 5.96%.

The Board has determined that the increase is necessary to cover ongoing costs of operation and to meet debt service and reserve working capital requirements.

For customers using 4,000 gallons of water per month, water bills will go from \$33.84 to \$35.87, while sewer bills will increase from \$47.52 to \$51.56.

Putnam PSD water rates are significantly lower than those of the City of Hurricane or West Virginia American Water Company.

The cost to Hurricane customers for 4,000 gallons is \$54.20. WV American Water customers pay \$76.78 for 4,000 gallons. Statewide, 69 utilities have lower water rates than Putnam PSD and 293 have higher rates.

Putnam PSD sewer rate for 4,000 gallon water usage is 157th statewide with 159 utilities charging higher rates. Putnam County's sewer rates (4,000 gallons water usage) are as follows: Town of Eleanor - \$25.18 (17th lowest in WV), Town of Buffalo - \$37.40 (73rd lowest), City of Hurricane - \$43.82 (123rd lowest), Town of Poca - 47.29 (155th lowest), Putnam PSD - \$47.52 (157th), City of Winfield - \$52.52 (197 lowest), and Culloden PSD - \$71.60 (287th lowest).

The cost of 4,000 gallons water ranges from a low of \$2.00 for Marianna PSD in Wyoming County to a high of \$102.48 for Coolfront Mountain Association in Morgan County. Future increases will be necessary for all utilities to meet unfunded

two award-winning show choirs, Red Hot and Heat Wave, debuted their exciting new competition shows last weekend. On January 5 through 8, fans of Red Hot and Heat Wave packed the Hurricane High cafeteria, where they enjoyed a special meal while being entertained by the musical talents of the students who make up the show choirs. After the meal was finished, everyone filed into the gymnasium for the two performance shows.

On Saturday evening, members of the graduating class of 2023 were honored by being escorted to the stage by family members and presented with a rose. After announcing the names of the seniors and their escorts, Hurricane Mayor Scott Edwards told the audience each student's favorite song and best memory of their show choir experience.

Heat Wave, Hurricane's all-girl choir, featured a slumber party theme for their performance. Songs chosen for the show were meant to reflect the fun times that teen girls have with their friends. The exuberant performance featured lots of lively songs and dancing, plus a pillow fight.

The theme of the Red Hot competition show was the Garden of Eden. A large tree was set up as part of the set backdrop, and students sang songs about love and paradise. During one memorable number, the trunk of the tree turned around, revealing a male singer who was portraying the infamous snake. Unlike

the original story which ended in tragedy, Red Hot's spectacular performance finished with a medley of the songs "God's Great Dance Floor" and "God is a DJ."

Both Red Hot Show Choir and Heat Wave will be performing in competition shows around the country, starting with Beaver Creek in Ohio. Over the years, Red Hot has competed at high schools throughout the region and has earned many awards for their hard work and talent.

Members of the 2022-2023 Red Hot Show Choir include Sopranos - Jordyn Arey, Autumn Cooper, Chelsie Johnson, Jana Naylor-Aten, Jillian Noel, Brooklyn Russell, Brezza Seales, Zoe Watson; Mezzo - Sadie Cain, Addison Chaffin, Hailey Kincaid, Ashtyn Krueger, Kendall Marcum, Caroline McLaury, Regan Spencer, Emma Sutherland; Alto - Mia Adams, Lily Alford, Tatum Bell, Caroline Damron, Natalie Freas, Miah Green, Olivia Haught, Addison Phillips, Grace Robie, Haven Steele, Leeara Thompson; Tenor - Ethan Adkins, Bradley Browning, Triston Criswell, Chase Cumptan, Prince Daniels, Payton Elliott, Jayden Ellis, Adam McCartney, Dante McKinney, Carter Parsons, Brogan Ward;

The Centennial History of Hurricane

Meet Some of Hurricane's Oldest Families

In 1988, The Centennial History of Hurricane, WV was published to commemorate the town's 100th anniversary. This week's selection is the 26th history from The Centennial History of Hurricane WV Continued - 1994.

THE MATTHEWS FAMILY

The Matthews family has been part of the history of the Hurricane area for more than 160 years, having arrived in Cabell County, Virginia, in the mid-1830's. (Became Putnam County in 1848 and State of West Virginia in 1863). So, they can truly be called "early settlers."

The information contained herein came from a variety of sources, including county, state and federal records, but the stories are primarily from numerous family members. They are the (Continued to Page 3)

The Way We Were, The Way We Are

By Brenda Burke

"The things that we love tell us who we are."
—Thomas Aquinas

I know that is true because I love my NINE, my family... Ten of us... perfect number... wonderful family members. One of the little boys asked me when we were seated having our low key Christmas meal at the house, "Nana, do you believe in magic?" I looked at him, and I replied, "Well, look around this table... you are my magic." I believe that with my heart.

As to believe, that is my 2023 word. I am holding to it... believing it... I have used "believe" before, but I Believed it is needed again this year.

As I was preparing my new planner and another new journal (I go through the journals monthly)... my budget for the new year... getting correspondence caught up... condo chores... waiting for little boys to come for games, I realized that I have been on this earth longer than most of my relatives ever were... that is a great gift and a huge responsibility. I am responsible for being the best I can be, not just for yours truly, but for my Nine... I don't have to try with them... I just am...

I love my children, their spouses, and my grands... my friends... reading voraciously... writing... journaling and devotions, Bible study... walking... Yes... I reached my goal. 1628 miles last year, step by painful step... whew... not easy, but my health demands it. I enjoy watching "Bluebloods" on Saturday mornings on my iPad... I enjoy other shows on my iPad and Hulu... even the occasional soap opera... sometimes they stress me so much... I have to take a break... I love living at the ocean... near my family... I love the churches I have attended through my years and the people there... my puzzle books are my friends... and my jigsaw puzzles... what can I say? It is obvious I have always loved traveling... not so much since Covid...

If I am known by what I love, I am an

"Happiness depends upon ourselves."
—Aristotle

Little things make me happy. A few weeks ago, my son, daughter, grandgirl, and I were sitting at the ocean watching the dolphins swim and play. Yes, in December... we were talking about our past traditions in our family. The subject turned to Mom's dishes. I had a set for everyday (Nathan uses them now for his family); I had a set for Sunday (one of Linda's girls got those); I had a set for holidays; the latter set was in a closet in my son's garage. Blue Danube, quite expensive... used for holidays only... gifts from my in-laws on special occasions... the last time they were used was 2013... packed up and moved to Florida. My son said he was saving them for the grand girls in case they might want them. My daughter assured him they would not as she has several sets herself.

The other day, my son brought the boxes of china to Mom. We went through them. He and I each took several place settings to use when we want... not to save... I am now drinking my delightful herbal tea from a blue and white teacup every day, and I am enjoying using the dishes I kept for special occasions. My son's family will use theirs also. This made me think about items that others might put away and save. I can say that the dishes and crystal were the only items I did this way... we also split the crystal... glad they are being used.

Happiness depends upon each individual... those little cups make me happy... they remind me of the days when my family was together for holidays and special occasions... they remind me of drinking tea in England with others of like mind... they make me happy. I have learned, throughout my long life, that no one can be responsible for our happiness. I am happy alone or with others...

As I begin 2023 with my paperwork ready... my books ready to review on my iPad... games for the boys... planning trips to Indiana for graduation and perhaps to Almost Heaven, WV... maybe a trip over to Disney if it is a short one with the Indy family... little jaunts here in Florida... I know that happiness is within this Mom and Nana because of ME and because of my nine...

Again Happy 2023 to my readers...thank you for your comments. The way we were is always the way we are... because we know we have the best of the world has to offer... family and friends... not material possessions... prayers to all... mask, vaccinate, and isolate when needed. We know Covid is not gone.

Meet Some of Hurricane's Oldest Families

basis of our family history. The story begins with William and Lucinda Roberts Matthews. William (b. ca. 1790) and Lucinda (b. ca. 1794) were married March 2, 1818, in Charlotte Co., Virginia. Lucinda was the daughter of Thomas and Nancy (Ann) May Roberts. (A word about the Roberts family, as they are part of the Matthews ancestry.) The patriarch of the Roberts family was one Francis Roberts, who arrived in the Virginia Colony near Jamestown before 1635 and probably lived in

Henricus, the 2nd Virginia city, in what would become Henrico County. Succeeding generations lived in Luhenburg, Mecklenburg, Henry and Charlotte Counties. It isn't likely they moved all that much — that was in a time period when new counties were constantly being formed. Brothers, Thomas and Henry Roberts (direct descendants of old Francis Roberts) married sisters, Nancy Ann and Oney May in Charlotte County, Virginia. Henry brought his family to Cabell County prior to 1818. Thomas and Nancy followed in the mid-1830's, might even have traveled with them. Thomas and Nancy were the parents of Claburn, Gabriel, Thomas, Lucinda Matthews, and Rita Garrett. Cousins Jones Roberts and Pleasant Roberts also lived near the Matthews farm. Jones Roberts was active in the County Militia and his farm was sometimes used by the Militia for training purposes. Thomas and Nancy died before 1850 and are probably buried in unmarked graves in the Jones Roberts cemetery.

Back to William and Lucinda Matthews. It is not known exactly when or how they came to what

is now Putnam County. It is logical to assume that they loaded their belongings into wagons and traveled to the area via the James River Turnpike. Upon their arrival, they first settled near what is now the junctions of US 60 and State Route 34, near the small village of Hurricane Bridge. It isn't known how long they lived there, but in 1841-42, William purchased a 300 acre farm on Sycamore Creek at a Cabell County auction. This farm had some of the best bottom ground on Sycamore. The original house on the property had burned, so the family lived in an old log house up the hollow until a new house could be built. William built a fine, sturdy, two story house of hewn logs which served five generations of the family and is still used as a residence today, although it has undergone extensive remodeling.

In addition to being a farmer, William was also a doctor and was known in the area as "Doc" Matthews. When he built his home, he had shelving of poplar boards installed in a room on the 2nd floor to hold his medical books. Other doctors apparently had confidence in him as they would sometimes refer patients to him. There is some indication that he also served the area as veterinarian.

William and Lucinda were the parents of three Children: Ann, b. 1822, m. Charles Riddle; Mary Elizabeth, b. 1823, m. Jeremiah Kirtley; John William, b. July 1828, m. Margaret Paul. Their stories as well as the slaves they brought with them, will be told later. Lucinda died Feb. 2, 1857 at about the age of 62. William lived on past 1860 but died before 1870. They, too are probably buried in the Jones Roberts Cemetery on Trace Fork.

I will be silent,

I will take deep breaths

I will repeat this as a vow to myself

A Mission for Nutrition

Accomplish health goals with better-for-you family meals

(Family Features) Setting out on a mission to eat healthier starts with creating goals and working to achieve them with those you love. To help make nutritious eating more manageable, call together your family and work with one another to create a menu everyone can enjoy while staying on track.

Connecting an array of recipes that all can agree on starts with versatile ingredients like dairy. Gathering at the table with your loved ones while enjoying delicious, nutritious recipes featuring yogurt, cheese and milk can nourish both body and soul.

For example, the key dairy ingredients in these recipes from Milk Means More provide essential nutrients for a healthy diet. The cheese varieties in Feta Roasted Salmon and Tomatoes and 15-Minute Weeknight Pasta provide vitamin B12 for healthy brain and nerve cell development and are a good source of calcium and protein, which are important for building and maintaining healthy bones. Meanwhile, the homemade yogurt sauce served alongside these Grilled Chicken Gyros provides protein and zinc.

Blessing of Intercession

Hebrews 4:14-5:10

This epistle speaks directly to first century Hebrew converts who formerly embraced Judaism. The Jews (Hebrews) were chosen by God to be a testimony of His righteousness. They were given God's law by Moses such that they might be a light to all men. All Jews, both New Testament believers and those who continued in the law, held Moses and the law in great regard. The difference between believing and unbelieving Jews is not found through observing the law of Moses. The difference is found in the manner in which they viewed Jesus. Those who believed, unlike those who did not, gave heed to the Holy Spirit who spoke to the prophets.

In Hebrews 4:14, the human author of this epistle was moved to describe Jesus (1) as our "great high priest", (2) as Him who "is passed into the heavens", and (3) as "the Son of God". New Testament Gentile believers know that all three of these descriptions are true because the scriptures declare all three and we know all scripture to be true. All scripture includes Paul's epistle to the Romans in which he declares that Christ died and arose to make intercession for us at the right hand of God (Rom. 8:34).

If the declaration of Christ as their "great high priest" is to resonate in the hearts of Hebrew believers (and it did and does), one should expect that this truth should be found in the word given to Old Testament prophets. In deed, it is. Turn to Isaiah 53. The prophet described God's righteous servant, the suffering Messiah, as one who (at a future time) would be recognized as one who had made intercession for the transgressors (v. 12). The intercessor of Isaiah 53:12 is the one who was bruised for our iniquities (v. 5). The intercessor is He who was made an offering for sin and whose days were prolonged (v. 10).

God the Father made it known through Isaiah and through David (see Psalm 110) that Christ should be our intercessor (high priest). The Comforter, the Holy Spirit, causes us to focus upon and understand God's ways. God the Father has made His begotten Son our high priest. The Lord God provides for our needs. The Father has made Christ our high priest because we have need of one who is and remains without sin who can intercede for us.

That Christ should be our high priest is not an after thought. He was foreordained before the foundation of the world (1 Peter 1:20). If the second born in Christ were to never sin again, no intercessor would be needed. Christ sits at the right hand of the Father because we have need of His presence.

The writer of the epistle to the Hebrews implores believers to boldly approach the throne of grace for help in the time of need (Heb. 4:16). The grace which God the Father provides to all who believe does not end when one believes. The Father has provided continuing grace through Christ, our high priest.

In verse 10 of chapter 5, the writer declares Christ to be a high priest after the order of Melchizedek. Melchizedek is presented to us in the book of Genesis. Melchizedek was both king and priest. In Genesis 14:20, Melchizedek blessed Abraham and received tithes presented to him by Abraham. The writer of Hebrews was moved by the Holy Spirit to describe Melchizedek as being without father or mother and as having no beginning or ending (Heb. 7:3).

In declaring Christ to be after the order of Melchizedek, the human writer of Hebrews declares Christ to be the priest and king whom the Holy Spirit directed David to identify as "my Lord" in Psalm 110:1.

To be after the order of Melchizedek, a priest must be above Abraham. Abraham believed God and it was counted to him for righteousness. Melchizedek was above him whose belief was counted as righteousness. Melchizedek is likened to God in that God is the great I AM. God is without father or mother. God is before the beginning and after the ending. Christ, our high priest, is of an order which men cannot attain. Christ possesses the qualities of man in that He was tempted in like manner as are we but possesses the righteousness which is of God.

We have need of our high priest because we ever fall short of God's righteous perfection. God in His grace has given us One who has not and cannot fail to stand at His right hand and intercede for us. His grace is great and His grace is free. The Father has provided believers with an intercessor who is faithful to forgive all who come to Him in repentance. Let us boldly go to Him who gave Himself for us. His grace is greater than our sins.

Huntington.

He was born on October 15, 1934, the son of the late W. Howard Hensley Sr. and Hetty E. Spence Hensley.

In addition to his parents, he was also preceded in death by his son, Michael.

Bill was a 1952 graduate of St Albans High School. He attended Georgia Tech as a co-op student, where he lettered in cross country and as a football manager. He was a member of Sigma Phi Epsilon. While in college his education was interrupted by an industrial accident that left him temporarily blind in both eyes and permanently blind in one eye. During his recovery period he married Rose, had a son and attended WV State and Morris Harvey College, where he took all of the math courses available. He completed his Mechanical Engineering degree at WVU in 1962. He was a member of Pi Tau Sigma and Tau Beta Pi Engineering honorary fraternities. Bill served as Chairman of the WV section of the American Society of Mechanical Engineers and a Delegate representing the region including WV. He has been a member of Lions Clubs

International for more than 35 years. He served on the Board of the Medical Eye Bank of WV and was the President of his community HOA for 10 years after its inception.

Bill was retired from DuPont and Olin Chemical. Bill and Rose enjoyed traveling, the beach, WV State Parks, movies, and just hanging out together. For many years, Fridays were "Date Day" and Bill tried to see that Rose always had fresh roses to enjoy. He was forever thankful for those that donated the corneas of their deceased loved ones so he might see. He had 15 corneal transplants during his lifetime to maintain some vision.

Left to cherish his memory is his beloved wife of 67 years, Rose; their daughter: Lisa Gregoire of Odenton, MD; grandchildren: Greg (Amanda) Hensley, Sara (Phil) Pendleton, Chelsea Gregoire, Matt Hensley and Lindsay Gregoire; great-grandchildren: Skye and Lincoln Pendleton; and his siblings: Jon (Grova) Hensley, Beth (Woodrow) Lucas, and Margie Evard.

Tariff Form No. 8 (Tariff Rule 10.1.a et seq.)

PUBLIC NOTICE OF CHANGE IN RATES WITH PROPOSED EFFECTIVE DATE

NOTICE is hereby given that Hope Gas, Inc. ("Hope Gas" or the "Company"), a public utility, has filed with the PUBLIC SERVICE COMMISSION OF WEST VIRGINIA, revised tariff sheets containing new terms and conditions for furnishing gas service to approximately 112,000 customers within its service territories in Barbour, Boone, Braxton, Calhoun, Clay, Doddridge, Gilmer, Harrison, Jackson, Kanawha, Lewis, Lincoln, Logan, Marion, Marshall, Mason, McDowell, Mingo, Monongalia, Nicholas, Pleasants, Preston, Putnam, Raleigh, Randolph, Ritchie, Roane, Taylor, Tucker, Tyler, Upshur, Wetzell, Wirt, Wood and Wyoming Counties, West Virginia.

Hope Gas is proposing to make changes to its tariff to accommodate unconventional gas producers who desire to interconnect with Hope Gas's distribution and gathering pipelines. Hope Gas will need to blend gas from the unconventional gas producers to meet tariff specifications prior to delivery of the gas to customers. Unconventional gas is becoming more prevalent as a source of supply, and the Company needs to modify its tariff to accommodate additional sources of supply. Hope Gas will recover all costs to interconnect from the unconventional producers and charge them for gas blending and operation of the interconnect.

The Company provides resale service to the following customers: Standard Gas Company, Consumers Gas Utility Company, Cardinal Natural Gas Company - Northern Division (Lumberport), Mountaineer Gas Company, Southern Public Service Company, Cardinal Natural Gas Company - Northern Division (Blacksville), and Peoples Gas WV LLC.

The Company's proposed changes to its tariff will not impact its current rates and charges for natural gas service.

Anyone desiring to protest or intervene should file a written protest or petition to intervene prior to January 12, 2023 unless otherwise modified by Commission order. Failure to timely protest or intervene can affect your rights to protest any rate increases and to participate in future proceedings. All protests or requests to intervene should briefly state the reason for the protest or intervention. Requests to intervene must comply with the Commission's rules on intervention set forth in the Commission's Rules of Practice and Procedure. All interventions may be mailed and addressed to The Executive Secretary, Public Service Commission of West Virginia, P.O. Box 812, 201 Brooks Street, Charleston, West Virginia 25323, or may be hand-delivered. Protests may be filed on line through the Commission website (www.psc.state.wv.us) using the "Submit a Comment" link or may be mailed to the Executive Secretary at the same address above.

A complete copy of this tariff, as well as a representative of the Company to provide information requested concerning it, is available to customers, prospective customers, or their agents at any of the following offices of the Company: Jo Carol Farmer, SVP, Rates and Regulatory Relations, 48 Columbia Boulevard, Clarksburg, WV 26330.

In Memory

By Linda Fisher Armstead

My parents, Delmar "Vernie" "Pete" Fisher and Eva Young, were married on January 11, 1947. This year being 2023, they would have celebrated 76 years of Wedded Bliss. Dad's parents were G. M. George McKinley Fisher and Lola Sovine Fisher of Trace Creek, Hurricane; Mom's parents were C. L. Locie Young and Dona Harbour Young of Poindexter Road, Hurricane. They were married almost 64 years. Dad was called to Heaven on November 6, 2010, and Mom on December 10, 2021.

I miss my parents so very much and wish they were still here with me and the rest of their families.
